

SERVANT LEADERSHIP

LEVEL	DURATION	DELIVERY	
mid level leader, senior level	2 hours	virtual	Recently Added

In this session leaders will explore ways to not only empower individuals but also create an environment that fosters growth and builds better organizations. This course focuses on philosophy, models and strategies for effective servant leadership and how to apply those in real life settings. Participants will explore the 10 characteristics of effective, caring leaders: listening, empathy, awareness, healing, persuasion, commitment to growth of people, foresight, conceptualization, stewardship, building community and discovering how Servant Leadership can enhance their leadership effectiveness and create an environment where team members can thrive.

COURSE OVERVIEW

COURSE OUTCOMES

- Define the core tenets of the Servant Leadership model
- Learn the principles and 10 Characteristics of Servant Leaders
- Apply best practices and practical strategies to apply in the workplace

BUSINESS NEED

Servant Leadership is a lot of things, and it is about so much more than just service. Servant Leadership is a dynamic approach comprised of many facets. So then, how do leaders cultivate a Servant Leadership mindset? It begins with cultivating compassion and empathy.
